SCORE Workshop: Managing a Small Business in a Downturn

The Chamber will host a presentation by SCORE Business Counselors entitled "Managing a Small Business in a Downturn" on Thursday, September 3rd at 10:00am. With the recent economic downturn, SCORE and the US Small Business Administration are reaching out to local small business communities to assist them in getting through these difficult times. SCORE is a nationwide, volunteer, not-for-profit organization associated with the SBA. This workshop is free and open to members and non-members. RSVP is mandatory.

Coming Soon: 2010 Business Directory

We are pleased to announce that work has begun on the 2010 Menlo Park Community Guide and Business Directory. This directory will be distributed to all Chamber Members, City and County offices, hotels, motels, and realtors, as well as Menlo Park businesses and residents. In the coming year, over 1000 directories will be sent to people relocating to Menlo Park. As a benefit of your Chamber membership, you will receive a free listing in the Classification Section. You will also have the opportunity to purchase expanded advertising to fit any budget. Our sales representatives, Sue Miller or Carolyn Mosby, will be contacting you to discuss opportunities for participating in this exciting publication. For more information, please contact the Menlo Park Chamber at 650.325.2818, or send an email to info@menloparkchamber.com.
